To whom it may concern,

My name is Jo LaBarge, I am the Housekeeping Supervisor at Bay Cliff Health Camp. I can confidently recommend Alexa for a position with your organization. I had the great pleasure of working closely with her over the summer of 2024 at Bay Cliff and I can confidently confirm the skills and abilities she has will be a wonderful fit for what you are looking for.

Alexa has shown a wonderful ability to work with people, particularly d/Deaf and Hard of Hearing people. Watching her help and guide our d/Deaf and Hard of hearing campers, as a Hard of hearing person myself, brings me pride, joy, and relief to see that she wants to work with our community. She has a strong understanding of the unique individual challenges they face and the needs they have, as well as a desire to learn more.

In the time I worked with her she showed a strong desire and ability to work with and be a staunch advocate for d/Deaf and Hard of hearing people and has expressed a very strong interest in finding ways to continue to do so at a professional level to make an impact. She is a fluent sign language user and has consistently been able to problem solve difficulties our d/Deaf and Hard of hearing campers were having.

Alexa was a valuable staff member here at Bay Cliff who has proven to be reliable, have valuable input, and be a wonderful team player. She has been a great help to all the staff here in their work, and I can personally vouch for the help she has given me as I prepare information to make it easier for our summer camp staff to work with their d/Deaf and Hard of hearing campers and fellow staff members.

Please do not hesitate to contact me with any questions,
